

New Jersey Envirothon
Rules for Team Presentations
May 7, 2010
Camp Glen Gray
Mahwah, NJ

1. The team presentation problem will be posted on the NJ Envirothon Website on Monday May 2, 2011.
2. Teachers/Advisors are not permitted to provide answers or solutions for the presentations. Envirothon teams must prepare their presentations without assistance from their advisors.
3. At the event there will be 3 Team Presentation Stations (Station A , B & C) in a sheltered area
4. Your Team's Schedule during the Envirothon will include the Team Presentation Station
5. You team will be permitted 5 minutes of prep time before their presentation
6. An equal amount of judges will be present at each station/presentation area during each presentation.
7. There will be a proctor on site to tally scores and keep time.
8. Two teams will arrive at the each of the presentation sites every ½ hour (six teams total)
9. The team with the lower number at each station will go first.
10. The second teams will go into a designated area and wait 15 minutes.
11. Presentation time is ten minutes with questions during the presentation.
12. Teams will only be permitted to use the materials provided on site (flip chart and markers)
13. Students may bring up to 5 (3" x 5") note cards for the presentation – **NO OTHER FORMAT WILL BE PERMITTED.** The note cards must be clipped together in order.
14. Students must hand these note cards to the person registering their team on the morning of the Envirothon event. They will get these cards back during their 5-minute preparation and can use them during the presentation.
15. Questions (up to one by each judge) will be asked within the 10-minute presentation.
16. After the presentation judges will have 5 minutes to compile scores and give to proctor.
17. The proctor will average the scores of the judges and send final scoresheet to scorekeeper.
